CONFERENCE VENUE

WELCOME TO UPPSALA

Conference venue

The conference will be held in Uppsala University Main Building and in the Centre for Economic Studies.

Uppsala University Main Building On 11 December, the conference will take place at Uppsala University main building ("Universitetshuset" in Swedish), just a few minutes' walk from the city centre. Its magnificent and spacious foyer with its light cupolas and the Grand Auditorium, which seats about 1800, gives us a good idea of the best of 19th-century Swedish architecture. *Address: Biskopsgatan 3, Uppsala*

Centre for Economic Studies, Ekonomikum On 12-13 December, the venue is Ekonomikum, a multidisciplinary centre bringing together research and education in economics, social and economic geography, and information science. *Address: Kyrkogårdsg. 10, 753 13 Uppsala*

Welcome to Uppsala

Uppsala is the fourth largest city in Sweden, with a population of 200 000 inhabitants. Unique cultural treasures and an exciting history are to be found in the city of knowledge and inspiration. Uppsala has retained its small-town charm while offering a big city's selection of shops, restaurants and other entertainment

With its two universities, Uppsala University and SLU, its specific business profile, and its geographical location close to Stockholm and Stockholm Arlanda Airport, Uppsala is one of the leading destinations for conferences and congresses in Sweden.
